

# Thornbury Township Walking Trail Overview

February 12, 2022

Katie Grieco

**Thornbury Township**  
Delaware County, PA

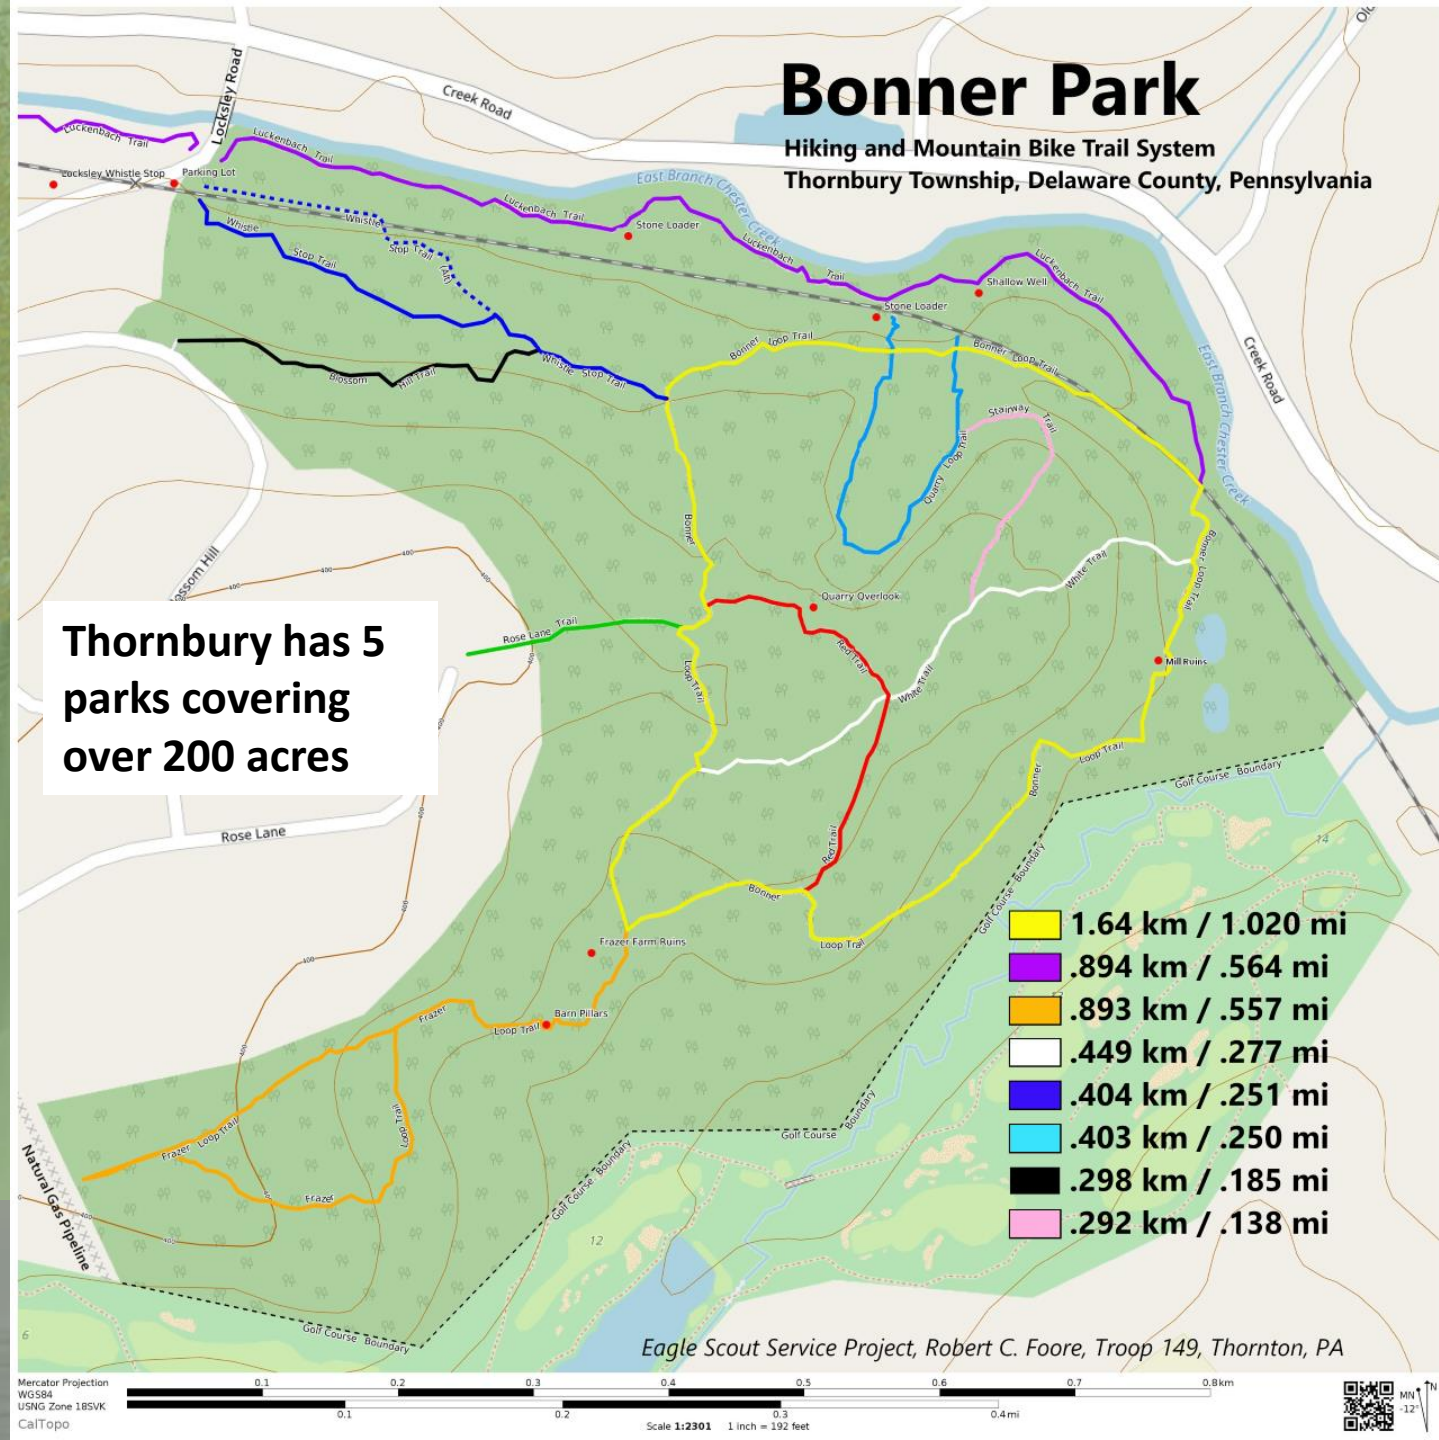

# Thornbury Township Walking Trail System

- Several miles of walking trails that are part of or connect Township Parks and Open Space
- These trails are developed and maintained by the Township Environmental Advisory Council (EAC)
- Our trails offer access to scenic venues, historic sites, and watersheds. These trails are used for EAC activities including stream clean ups (with CRC), stream ecology for kids, or birdwalks.

Thornbury Township  
Delaware County, PA

# Thornbury Township Historic Sites

- Thornbury Township has a rich history dating back to Pre-Revolutionary War Era. The remains of a number buildings and remnants of the industries that were part of this era are accessible via the trail system. This includes,
  - Frazer Ruins
  - Quarry
  - Stone Mill
  - Stone Loader

# Thornbury Township Scenic Vistas and Watershed Access

- Chester Creek runs through the Township. Our trail system allows residents and visitors access to these watersheds
- Wetlands include Barrett's Meadow – 29 acres

# Conservation

- The EAC in conjunction with volunteers conducts a number of efforts every year to conserve and the environment
  - Annual Stream Clean Up with CRC
  - Trail Clearing
  - Tree Planting
  - Stream Bank Erosion Prevention

# Activities

- The Township Trail and Park System is venue for Township Sponsored Activities including
  - Nature Scavenger Walk
  - Historic Talks
  - Stream Activities
  - Bird Walks

# Activities

Volunteers include Residents, Scouts, and Students from Local Schools

Thornbury Township  
Delaware County, PA

# Issues and Future Plans

- Improving Trails, Creek Crossings, and Accessibility
- Install Wildlife Habitats
- Work with Adjoining Townships to Connect Existing Trails
- Expand Trail System
- Sponsor More Outdoor Education Programs

Thank You
